EXPERIENCED TRIAL LAWYER

Victor L. George is a trial attorney with over 20 years of jury trial experience. Mr. George's clients have received numerous seven and eight figure jury trial verdicts in both catastrophic personal injury and employment discrimination / harassment cases. These include jury trial verdicts against many large corporations such as Walmart, Ford Motor Co., Fidelity, Los Angeles Metrolink, Kindred Healthcare and Starline Tours. Mr. George is a past recipient of the Trial Lawyer of the Year Award for the Consumer Attorneys Association of Los Angeles, having been nominated for that Los Angeles Trial Lawyer of the Year Award in ten of the past fifteen years. Mr. George was also recently named the "2016 Southern California Lawyer of the Year" (Employment Law) by *Best Lawyers* magazine. Mr. George has been twice nominated for National Trial Lawyer of the Year for Public Justice.

In November 2016, Mr. George received a jury verdict of \$26 million for the "loss of love" to the mother and father in the wrongful death jury trial of their 16-year-old son. This noneconomic jury verdict is the largest wrongful death jury verdict for a minor in U.S. history.

"Our commitment is to seek absolute justice for those who have been seriously injured or discriminated against," says Mr. George. "We prepare every case as if it will be tried before a jury all the way through verdict. We have absolute faith in the jury system."
